

## 10<sup>th</sup> WORLD IMPLANT ORTHODONTIC CONFERENCE ABSTRACT SUBMISSION AND POSTER GUIDELINES

On behalf of The 10<sup>th</sup> World Implant Orthodontic Conference and 13<sup>th</sup> Annual Meeting of The Indonesian Association of Orthodontists committee, we would like to extend our appreciation to all authors who want to publish their scientific article in this event.

We are pleased to accept orthodontic research article or case report, which would be delivered in poster presentation. Authors who wish to participate in the Scientific Awards, the topic is limited to Temporary Anchorage Devices or Mini-Implant. However, the committee does not limit topic to authors who only wish to publish their orthodontic work in this conference without participating the Scientific Awards.

Please refer to the following instruction for abstract submission and poster preparation:

### ABSTRACT SUBMISSION GUIDELINES

Abstract should be written ONLY in English and it should not exceed 250 words (max). It should be typed on A4 paper using MS Word Program with Times New Roman (TNR) font, 11-point, and 1.5 line spacing.

The abstract title should be less than 15 words, clear, and concise and typed TNR font, 12-point bold. The author's name and co-author's full name (start with Surname than First Name followed with academic degree) should be followed by name and department of the institutions that the authors are affiliated and these affiliations are to be numbered accordingly in superscript (all typed in TNR 11 point). A valid corresponding e-mail address of the main author should be submitted. Failure to do this will delay any form of communications between the committee and the author.

The Scientific Awards in this conference will be classified into 2 (two) categories, Research Article and Case Report. The committee would not accept Literature Review.

Content of abstracts includes:

#### For **Research Article:**

Should be structured with subtitles: Introduction, Objectives, Material and Methods, Results, and Conclusion (underlined)

#### For **Case Report:**

A narrative paragraph that includes introduction, objectives, concise description of the case being reported, and a conclusion. The committee would only accept orthodontic case report that has been finished/debonded with high standard of finishing.

Submitted research article/case report is containing original work and has not been submitted/published earlier in any journal. Also, it is not being considered for publication elsewhere. Each participant may submit maximum 2 (two) abstracts; limited to 1 (one) abstract in each category. Abstracts could be submitted through online submission via our website [www.wioc2018.com](http://www.wioc2018.com) EXTENDED to March 31, 2018.

The scientific committee will then evaluate the content of each abstract and make the final selection of the abstract for presentation. Abstracts not complying with the specified format will not be considered.

Accepted abstract will be notified by e-mail to the author. Presenter of the accepted abstract must then be registered and complete the payment as participant of 10<sup>th</sup> World Implant Orthodontic Conference (WIOC) and 13<sup>th</sup> Annual Meeting of The Indonesian Association of Orthodontists.
